About Me

Trilingual consultant specialising in SaaS and SAP FI/CO, with a proven track record leading global procurement and finance system deployments. I thrive on simplifying complexity, aligning business and IT, and delivering results in multicultural environments. Now based in Brazil, learning Portuguese to add even more value to local and regional projects.

Skills

- Coupa Deployment (Certified)
- SAP FI/CO
- Project Management
- Business & Systems Analysis
- Global Deployments & Cross-functional Collaboration

Experience

- Application Development Associate Manager**
Accenture, Toulouse 11/2021- 01/2025
