

EXECUTIVE SUMMARY

Delivery Manager, Project Manager, Oracle EBS Senior Principal Consultant, Solution Architect and Pre-Sales. Oracle Homologated OTC, CRM and Workflow Instructor. I have around 26 years of experience in information technology, 22+ of these years working in the ERP area. Worked as IT Manager for eight years (Client side). Specialist in Oracle Ebusiness Suite in Financials, CRM and Order-to-Cash and Financials Streams. I have participated as Program and Project Manager in many Global Projects around the world with focus in Oracle EBS and Oracle Fusion Cloud Apps but also worked on other Projects platforms like SharePoint, Infrastructure and IT restructuring.

25+ years working with Oracle Application from release 10.7 to Fusion Cloud.

Very strong knowledge in Brazilian Localizations for streams O2C and P2P and Financials.

I have participated in many successful case projects. My focus is always trying to extract the best of each team member to achieve the goals with the best quality. I have participated also in many pre-sales activities and I'm Oracle pre-sales certified specialist in Financials (GL, AP, AR and Cash) and SCM (Inventory, Order Management, Advanced Pricing and Shipping and Procurement)

I was responsible for all Oracle Practice at Infosys Ltd in Brazil and LATAM for more than 8 years responsible for Projects Delivery and Sales.

I am a hands-on Manager with a very high knowledge in Business processes for different industries and with strong technical and functional skills.

Certified Oracle Fusion Apps for Financials and SCM tracks.
