EXPERIÊNCIA PROFISSIONAL

Tax Transformation Specialist & BP of Tax at IT at Ale Combustíveis S.A., São Paulo, Hybrid

May 2026 - Present

Main Activities:

- ✓ Led the BR **Tax Reform Implementation Project**, ensuring compliance across legacy systems, satellite solutions, and the new ERP & Tax Solution, achieving significantly positive;
- ✓ Acted as **Key User (KU) for Tax**, responsible for configuring fiscal data (J1BTAX, TAXBRA, TAXBRJ) in **SAP S/4HANA ERP**, Onsource/TaxOne Fiscal Solution, and satellite systems such as **DFE Governance Plus**, **DFE SaaS**, among others.;

Partner & Tax Executive at DPC Assessoria Empresarial Ltda, São Paulo, Home Office

Aug 2023

Main Activities:

- ✓ Provided tax consulting services across diverse industries, including credit recovery, due diligence (sell side and buy side), preparation of formal responses to tax inquiries, and support in ICMS tax incentive projects. Designed and adjusted fiscal operations to comply with Tax Reform requirements, particularly in projects involving parameter changes in fiscal solutions. Additionally, trained new consultants with a focus on indirect taxes, ensuring knowledge transfer and operational excellence;
- ✓ Provided functional tax consulting in specialized projects, including fiscal operation analysis for agribusiness clients, with a focus on reviewing, correcting, updating, and automating tax records in **TOTVS/Protheus** across more than 60 establishments in five states with diverse tax benefits. For cosmetics and pharmaceutical clients, implemented tax parameters through operational studies, technical design of rules, and system configuration (TES, TES Inteligente – TOTVS/Protheus) for a new plant in São Paulo under a **Special Tax Regime (RET)**. Additionally, revised, modernized, and automated tax rules in establishments located in Santa Catarina, ensuring compliance with local specific benefits;
- ✓ Developed specialized content on Tax Reform, including the creation of e-books, participation in webinars, podcasts, and tax and technology events. Supported product and IT teams in designing new rules and adapting technological solutions, ensuring compliance of fiscal systems with the **Consumption Tax Reform (RTC – LC 214/2025)**. Contributed to the modernization of tax solutions by integrating fiscal compliance requirements into core and satellite

Tax & Project Senior Manager na Wella Brasil Ltda, São Paulo, Hybrid

Apr 2022 — Aug 2023

Main Activities:

- ✓ Responsible for managing the Direct and Indirect Tax Department, overseeing the BPO of fiscal operations, analyzing and approving all tax calculations, validating and monitoring compliance with ancillary obligations, and supporting internal and external audits as well as tax inspections. Presented direct tax results and monthly accounting reports to the global headquarters. Acted as Tax Manager in the implementation of Wella's standalone operations after separation from Coty, including preparation, approval, and participation in meetings with the Government of Minas Gerais to secure approval of the **Special Tax Regime (RET)**. Led the parameterization of the entire fiscal, accounting, and financial operation, customizing RET rules within **SAP ECC ERP** and **Thomson Reuters TaxOne Fiscal Solution** (GRC, J1BTAX, SD, MM, FI, SPED obligations).

Head of Taxes & ESG na Grand Cru Importadora Ltda, São Paulo, híbrido

Apr 2017 — Nov 2022

Main Activities:

- ✓ Managed the Tax Department for import, wholesale, and retail operations, overseeing daily operational activities such as tax calculations and compliance with ancillary obligations. Directed paralegal activities including the opening, modification, and closing of company establishments, as well as the issuance and control of licensing documents. Ensured full compliance across fiscal operations while streamlining processes to support business growth and regulatory requirements;

- ✓ Led tax planning and consulting activities, providing support to internal clients, particularly executive directors, in daily operations and new projects. Developed and implemented commercial policies considering local taxes and fiscal incentives by state (UF). Monitored legislation at all levels and prepared tax bulletins to ensure compliance. Designed strategic tax planning initiatives to maximize benefits and achieve significant tax savings within current regulations;
- ✓ Engaged in government relations by participating in meetings with public authorities to ensure legal compliance aligned with operational realities. Contributed to discussions on tax planning strategies and monitored the application of fiscal benefits, strengthening collaboration between the company and government entities while supporting sustainable tax management practices.
- ✓ Managed tax, social, and environmental governance initiatives, leading sustainable projects focused on reducing and neutralizing greenhouse gas emissions and implementing mandatory reverse logistics. Achieved both national and international ESG certifications, strengthening the company's environmental and social responsibility profile. Served as an **External ESG Advisor**, providing strategic guidance on compliance and sustainability practices to align operations with global standards; From Apr to Nov 2022 - ESG External Board Member

Senior Tax Manager na ADM do Brasil, São Paulo, Presencial

Mar 2016 — Nov 2016

Main Activities:

- ✓ Managed the Direct and Indirect Tax Department, overseeing consulting, auditing, litigation, compliance, and electronic tax reporting (Tax SPED). Directed the implementation and management of systems to meet SPED group requirements, revitalizing and re-implementing the fiscal solution to ensure proper compliance with tax obligations. Reduced tax litigation exposure through improved processes and strengthened governance, while aligning fiscal operations with regulatory standards;

Senior Tax Manager & Green Team Volunteer na adidas do Brasil Ltda, Barueri, hybrid

Sep /2008 – Dec 2015

Main Activities:

- ✓ Managed the Tax Department for import, wholesale, and retail operations, overseeing fiscal operations and compliance. Provided tax consulting support to internal clients through responses to tax inquiries, monitored and updated legislation, and prepared tax bulletins. Acted as a strategic advisor to C-level executives in the context of new projects, ensuring alignment of operations with evolving tax regulations and compliance requirements;
- ✓ Responsible for strategic tax planning aimed at maximizing fiscal benefits and achieving tax savings within current regulations. Prepared technical tax inquiries and developed Special Tax Regimes focused on efficiency and compliance, generating significant savings of more than R\$ 250 million over five years. Ensured alignment of tax strategies with corporate objectives while strengthening governance and optimizing fiscal operations;
- ✓ Directed the management and implementation of systems to meet new electronic tax requirements under the SPED Group (Electronic Obligations and Documents). Led the development and deployment of internal legacy systems tailored for the Tax Department, working in close collaboration with the Regional IT team in Panama and the Global IT team in Germany;
- ✓ Led the implementation of special projects designed to boost sales, automate operational processes, and leverage tax benefits. Directed initiatives such as establishing a distribution center in a state with import tax incentives, developing e-commerce strategies, and integrating **OmniChannel** operations;
- ✓ ESG:Responsible for implementing social and environmental projects with a focus on leveraging tax benefits. Acted as the official representative of adidas' **Green Team in Latin America**, leading initiatives aimed at sustainability, environmental responsibility, and community engagement;

Tax Manager na Ernst & Young Auditores Independentes, São Paulo,

Jan 2004 – Feb 2005

Main Activities:

- ✓ Responsible for supporting C-level executives with tax-related demands and managing the fiscal operations of global clients through BPO services. Ensured compliance with complex tax requirements, provided strategic consulting, and delivered accurate fiscal reporting to strengthen governance and operational efficiency across multinational operations
