Quality assurance for all functional documentation

Coordination of tests (unitary, integrated and regression tests) and progress report to management (using the HP Quality Center)

Survey of improvements and alignment with the sponsors/stakeholders of the business

Responsible for the critical issue's escalation
Security Team Coordination - Access Profile Mapping
Coordination of the BI / BW team - Survey and validation of BI Queries
Direct participation in the SAP and Legacy technical solution application decision
Integration with LIMS, MES, Oracle, Triangulus, Gaia, VIM, Approval Portal (Legacy systems used in Bunge)
Material creation and Training realization for about 1500 end users among 8 different Plants

TECHMAHINDRA CONSULTING SAP PP QM CONSULTANT
MAR/2015 - OCT 2015

Process Design to modules SAP PP QM PM and PS
Proposals preparation (presale)
Sustain - Supporting the customers of several areas and legacies (MES, LIMS, ILAB, WERUM)
Experience in a high demand environment of "deliverables"
Training Material and development of instruction manual to end users
Technical visit of achievement for conducting training (ITSM) and raising all gaps

TECHMAHINDRA CONSULTING SAP PP PM CONSULTANT
JAN/2015 - MAR/2015

After the SAP Upgrade the client, we conducted a survey of possible gaps in the environment for making improvements in the PM module
Post Go Live Support
Development and management of data and demands on IT Service Manager (ITSM), generating reports for reporting to project management and customer

NEORIS CONSULTING SAP PP QM CONSULTANT
OCT/2014 - JAN/2015

Upgrade & data migration Project
Customer Pharmaceutical Branch - EMS
Development RFC's for SAP integration with ILAB and LIMS
Creating and administering tests in SOLMAN 7.1
Development of technical documentation for ABAP team
Material creation and Training realization for about 20 end users

NEORIS CONSULTING SAP PP QM CONSULTANT
JUL/2014 - SEP/2014

SAP Support to several clients (Sustain)
Enhancements, Small projects
Post Go Live Support

NEORIS CONSULTING SAP PP QM CONSULTANT
APR/2014 - JUL/2014
EHP6 UPGRADE PROJECT - LOUIS DREYFUS COMMODITIES

Allocated "On site" - Reporting the test progress direct to the Manager and client
Responsible for the Integration and Regression testing for the PM and PS-IM modules
Working with South Latham's Team members, correcting the configuration if needed

IBM HORTOLANDIA SAP PP/QM NOV/2012 - APR/2014

Allocated at IBM / Hortolândia - Global Project - Support Team Improvements / Upgrade working specifically with modules PP QM and MM, but I have knowledge in WM and SD

Pos Go Live: New Plants on Russia and SP - DHL

Knowledge in Serialization / Track and Trace

Participation in global implementation project, replicating the scenario from Global BBP

Development of Z transactions

Member of global Team, involving PP QM MM and WM modules

Working in conjunction with the system owner and business owner in the area

Working in conjunction with functional and technical staff

Unit and integrated tests

Validation by the end User

Documentation and technical specification tests in general (unitary, integrated)

Master Data, PP-PI – Process Order, Production Order, Production Planning, Capacity

Planning, BOM, Recipe, Resource, ECM, MRP, ATP, Batch Management, Batch

Derivation, Lot control, Serialization/Track and Trace,

APO-PP/DS, APO-SNP e DMS.

TRAINNING (AT IBM)

1. SAP Process, Methods & Tools Overview
2. Solution Manager Overview
3. SAP Solution Manager Implementation – Project Initiation
4. Solution Manager – Business Blueprint Phase
5. SAP Solution Manager Implementation – Realization
6. Run SAP for Project Awareness
7. SAP Methods & Tools eLearning
8. Plan to Inventory Process (SAP220)
9. SAP Supply Chain Management (SSBSEU04)
10. IT Service Manager
11. HP Quality Center

EI ADVANCED SENIOR HELP DESK 2012

Roles and Responsibilities:

Technical support and tax - data processing aimed at the accounting / tax (SPED PIS / COFINS, SPED Fiscal, SINTEGRA, NFPTA, NF-e).

Survey and analysis of requirements and specifications with the customer to transfer the data to the programming team. Testing and validation of software.

BRAZIL SUPPORT SUPPORT ANALYST JUL/2011 - SEP/2011

INFRASTRUCTURE ROLL OUT PROJECT

Roles and Responsibilities:

Phone support (at Brazil) and in situ "Level II" in the Lotus Notes, Sametime, DATASUL, Server 2003 Backup Control (COBIAN), Win XP, 7, Office 2003, 2007, VPN, VNC, Antivirus Symantec, Maintenance of computers and Laptops.

ECOPADS SUPPORT COMPUTER TECHNICIAN JAN/2011 - JUL/2011

Roles and Responsibilities:

Supporting the Internal ERP, Win XP, Win7, Office 2003, 2007 and 2010, ERP, Installation, Maintenance of PCs, notebooks, TCP / IP, Windows Server 2003, 2008, DHCP, DNS, Proxy, Firewall IronPort, Network Mapping, sharing Configuration, Routers, Access Point, Switch, VOIP Telephony, Setup Thin Client Access CITRIX, GHOST Tool, Remote Assistance (VNC, TEAMVIEWER, Remote Desktop, Terminal Service) and local.

Material creation and Training realization (about 800 end users in two different Plants)

CAEF STOREKEEPER MAY/2010 - OCT/2010 INVENTORY CONTROL - SAP MM

Roles and Responsibilities:

Handling of stock transfer between CDs/Plants (MIGO/MIRO/MBST/ME21N)

Control KANBAN, FIFO

Issuance of NF

Mediation between the client (SIEMENS) and suppliers

CEVA LOGISTICS 2009 - 2010

KEY USER - SAP MM / WM / SD

MM/WM module:

Handling of stock transfer between CD / Plants.

Input and output materials - both for logistics and for Reverse Auctions (depreciated materials)

Submission of materials for the transport sector - (To issue CTRC).

SD module:

Turnover tax, issuance of invoice.

Treatment Billing Orders - Changing / Reversal Orders Billing

Monitoring of the Billing queue - (Queue VL06O).

Academic

Bachelors in computer science by the Anhanguera Faculty from Jundiai – São Paulo

Courses and Certifications

SAP HANA Logistics – Tech Consulting

SAP PP Academy – ESPERANSAP Institute/SP - December/2011
SAP Process, Methods & Tools Overview – IBM Internal academy
Solution Manager Overview – IBM Internal academy
SAP Solution Manager Implementation - Project Initiation – IBM Internal academy
Solution Manager Business Blueprint Phase – IBM Internal academy
SAP Solution Manager Implementation – Realization – IBM Internal academy
Run SAP for Project Awareness – IBM Internal academy
SAP Methods & Tools eLearning – IBM Internal academy
Plan to Inventory Process (SAP220) – IBM Internal academy
SAP Supply Chain Management (SSBSEU04) – IBM Internal academy
Hardware / Office package
Hardware, Architecture and Support, Enhanced support
Configuring and Troubleshooting Windows Server 2008 Active Directory
Domain Services (6425/10222)
Configuring and Troubleshooting Identity and Access Solutions with Windows
Server 2008 Active Directory (6426/10230)

Languages

Fluent English
Advanced Spanish
Advanced French
Native Portuguese

I've been working with international teams from: Argentina, Mexico, UK, US, France, Holland, Polish and India, for several years, personally (in Brazil) or by video conference sessions.
