

GUILHERME VINICIUS DE OLIVEIRA

SAP HCM PAYROLL ANALYST

SAP/HCM/PY specialist since 2012. Experienced IT professional with a degree in system analysis. Over 20 years of contact and profession within technology (built my first website by the age of 11), having background in software development, business support, system analysis, infrastructure, project support, web, UI, front-end and graphic design.

More than 9 years of working exclusively with SAP HCM, mostly with Brazilian Payroll, but also with exposure to USA, Canada, Argentina and with international and customized instances, acting in countries such as Cameroon, Angola, Tchad and Nigeria.

Later on, using all soft and technical skills acquired during my career, became also an innovative and with a deep passion for learning business processes, having founded my own company and worked exclusively at it for more than 6 years.
